F. No. AICTE/P&AP/MHRD/Misc./2016

Date: 25.08.2017

Subject: Say no campaign to Junk Food.

Dear Sir/Madam,

You all are aware that "Junk Food" is causing obesity and other health related problems among the students and Government is very much concerned about the harmful effect of Junk Food on student's health. It is, therefore, suggested that Institutions should regulate the food available in the canteen and around the Institutions. You are, therefore, requested to ensure that Junk Food is not available to students in the campus and necessary awareness should be created about the harmful effects of junk food by involving volunteers of National Service Scheme (NSS), National Cadet Corps (NCC) and other voluntary groups to campaign in this regard.

We are looking forward for your co-operation and support in creating mass awareness about harmful effects of using Junk Food in the campuses.

Regards

(Member Secretary)
