

ISHRAE Students Chapter

Coordinator: Dr. Neeraj Agrawal

ISHRAE is the first professional chapter activity started in the year 2008 with the humble beginning of 28 students' member. Over the years the students' membership has gone up to 130 + every year from Second year to Final year. Programs like industrial visits, expert talks, technical events ZAMBOREE, ISHRAE League Quiz, extempore, Innovative project design, visit to international exhibitions etc are being organized on regular basis. Students are encouraged to submit the research proposals for financial assistance for their UG/PG projects. Further, ISHRAE also organizes the Job Junction for the students' members.
