12th to 16th October 2018

Conducted under

**Pandit Madan Mohan Malaviya National Mission on Teachers
Training
&**

Approved under TEQIP-III

TEQIP-III

PMMNMTT

The University has introduced a course on **Product Design Engineering** in IV Semester of all engineering programs in the revised curriculum w.e. f. from July 2018. The university is organizing a series of Faculty Development Programs to train faculty members on this newly introduced course. The second FDP in this series will be conducted in **Marathwada Institute of Technology, Aurnagbad from 12th to 16th October 2018.**

The course coordinators for this program will be

1. Prof. Dr. L. D. Netak (ldnetak@dbatu.ac.in), DBATU-Lonere
2. Prof. S. B. Pankade (sandip.pankade@mit.asia), MIT-Aurangabad

Principals/Directors of the affiliated colleges are requested to depute the faculty members who will be teaching this course in the next semester commencing from Jan. 2019 and who have not attended the earlier FDP on Product Design Engineering.

The preference will be given to the faculty members from Aurangabad region.

Please register [here](#) to participate.
