**Functions of Curriculum Development and Teachers Training Centre** *(Under Section 44 of the Act)*

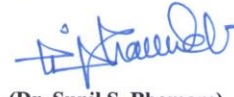

1. To promote excellence in Engineering and Technology Education by planning, designing, developing, implementing and evaluating quality training programmes, learning resources, research studies and extension services for technical educational institutions, industry and community;
2. To establish Extensional Centres at the Regional Centres and Sub-centres of the University;
3. To play a vital role in bringing in the desired improvement in quality of higher education;
  
4. It shall be the duty of the Centre --
  - a. to develop the curriculum of various subjects in the sphere of technological education, keeping in view the overall priorities, perspectives and needs of the society and expectations from industry;
  - b. to develop a data base of technical teachers and resource persons for training in different domains;
  - c. to develop e-Learning Resources for the University under SWAYAM platform;
  - d. to take steps to identify the demands of society and expectations from industry and design the curriculum and training of students and teachers accordingly;
  - e. to develop methodology for training of teachers and to create training materials for the same;
  - f. to coordinate with and empower Regional Centres and Sub-centers for conducting Teacher's Training and such other training as directed by the University;
  - g. to offer training programs covering entire gamut of technical education;
  - h. improve quality of teachers in Technical Education by conducting appropriate training programs, certificate courses, Workshops in subject domain, leadership and managements;
  - i. build professional capacity in teachers of the University and colleges;
  - j. provide certificate for professional skills of the faculty members;
  - k. provide opportunities to the teachers to receive training from industrial experts;
  - l. develop well equipped specialized training cells or extensional centres for teachers.
  
5. To Plan and Conduct Training Programmes
  - a. The Centre shall conduct survey of the teachers in the University departments and affiliated colleges for Training Need Analysis(TNA) in the State;
  - b. The Centre shall conduct consultative meetings with industry to identify the opportunities in the industry and prepare the list of resource persons who can be tapped for training programs for teachers in respective disciplines;
  - c. The Centre shall plan training programs in view of the needs identified in the training need analysis;
  - d. The Centre shall prepare a Time Table of Training Programs and give wider publicity for the same;

- e. The Centre shall conduct the training program at the Centre premises, Extensional centres or at colleges depending on the availability of resources;
- f. The Centre shall evaluate and assess the performance of the teachers undergoing training in the Centre and provide proficiency certificates in specified skills;

The Advisory Committee shall meet at least twice in a year to monitor the functioning of and guidance to the Centre

The Member Secretary of the Board shall call the first meeting of the Board within 15 days of this notification and confirm the acceptance of the membership by all members.

The Minutes of all meetings of the Board shall be uploaded on the University's portal by the Member Secretary.
