**Powers and duties of Board of Research and Development (as per the Section 26(f) of the Act)**

- (1) The Board of Research and Development shall have the following powers and duties, namely-
- (a) The Board shall analyse the data on research activities at the University Departments and affiliated colleges for identification of strong and weaker areas and develop a long term policy and strategy for promotion of research culture;
  - (b) The Board shall form Research and Recognition Committees in each Faculty/discipline to review the applications for recognition and recommend the names to the Committee formed for granting Recognition as Teacher of the University as per the Section 74 of the Act;
  - (c) The Board should device policy to encourage the teachers to take up research in emerging areas at individual and group levels;
  - (d) The Board should to make policies for sharing of research and development infrastructure and to hold jointly research seminars in all disciplines, preferably in different regions of the State, in collaboration with affiliated colleges;
  - (e) The Board shall review the quality of research done at the University Departments and affiliated colleges and decide upon the policy for maintenance of standards of research for Ph.D. degrees, in consonance with the norms of the University Grants Commission and other regulatory bodies;
  - (f) The Board shall create a database of research and development work done in University departments, colleges and recognized institutions in a stand-alone mode or as group activity or in collaboration with industries and other research and development laboratories;
  - (g) The Board shall encourage research in delivery of education, pedagogy of face-to-face and e-learning, impact of e-learning and virtual classrooms on learning and understanding of students;
  - (h) The Board shall assist the teachers, University departments, colleges and recognized institutions to raise the funds for research activities;

- (i) The Board shall approve a budget for research activities of the University Departments and recommend to the Finance Committee and Executive Council;
  - (j) The Board shall help the departments and colleges in mobilizing funding from the industry for enhancing research activities;
  - (k) The Board shall identify problems and issues related to industry and Society in the region within the jurisdiction of the University and to take special initiative to address such issues through systematic research and development activities;
  - (l) The Board shall develop policies and strategies for creating synergy between researchers and industries resulting into promotion of knowledge and technology transfer and productive conversion of research into useful technologies for benefit of the industry and society;
  - (m) The Board should plan establishing central research laboratories at Regional Centres and Sub-Centres with the help of participation of national and international industries and make the facilities available to the researchers in the region at affordable cost;
  - (n) The Board should review monitor the progress of sponsored research projects in the University;
  - (o) The Board shall consider the cases of withdrawal of recognition granted to the teachers;
  - (p) The Board shall undertake any other task as may be assigned by the University authorities.
- (2) The Board of Research and Development shall appoint a Research and Recognition Committee for each Faculty as per the Section 74(1) of the Act, such that the two experts in the subject, are nominated by the Executive Council, and Two experts are nominated by Academic Council from its members.
- (3) The Board, through Dean, R&D and Industry relations, shall submit a self-appraisal at the end of each academic year, but not later than 30<sup>th</sup> June to the Vice-Chancellor; and the Vice-Chancellor shall place the same before the Executive Council for its information.
- (4) The Board of Research and Development shall meet at least four times in a year.

The Member Secretary of the Board shall call the first meeting of the Board within 15 days of this notification and confirm with the Dean of the faculty the acceptance of the membership by all members.

The Minutes of all meetings of the Board shall be uploaded on the University's portal by the Member Secretary.
