Powers and duties of the Board of Post-Graduate Education (as per the Section 26(f) of the Act)

- (1) The Powers and duties of Board of Post-Graduate Education shall be—
- The Board shall develop policies of Post-graduation education and conduct of the projects and ensure their implementation in the University;
 - The Board shall form a Recognition Committee in the Faculty to review the applications of teachers for post-graduate teacher recognition and recommend names of the teachers for teaching and guiding post-graduate students;
 - The Board shall review and monitor the quality of post-graduate programmes in the University departments and affiliated colleges and recognized PG centres and recommend appropriate means for quality improvement;
 - The Board shall develop and conduct appropriate survey with the industry or other stakeholders to gauge baseline quality of PG education and identify weak points for improvement and suggest remedial measures for the same;
 - The Board shall plan development of common facilities for PG research in Regional Centres and Sub-Centres;
 - The Board shall develop and recommend means of attracting and nurturing promising candidates to post-graduate programs;
 - The Board shall monitor use of technology in a blended form in postgraduate education, including MOOCS, and SWAYAM courses in colleges and University Departments;
 - The Board shall suggest policies and frame rules and regulations and submit them to the Faculty;
 - The Board shall prepare a list of the experts in the subject domain and submit it to the Faculty for appointment as examiner for evaluation of PG projects;
 - The Board shall recommend the names of post-graduate teachers, research scientists in recognized research and other institutions, active in research and development, experts having of not less than ten years experience in research and development laboratories or centers in a variety of industries, for recognition as approved research guides for M.Tech. Projects;

- (k) The Board shall prepare guidelines for M. Tech. projects undertaken outside the University Departments or the colleges having PG departments, and monitor the compliance of the regulations with respect to PG projects;
- (l) The Board in each Faculty shall prepare panel of Referees for evaluation of Master's dissertations and submit the panel to the Board of Examination for appointment of the examiners for Post-graduate examinations and evaluation of projects;
- (m) The Board shall address complaints related to Masters' projects;
- (n) The Board shall undertake any other task in academic and research and development matters, as may be assigned to it by the Board of Deans, the Faculty and the Academic Council.

(1) The Board in each Faculty, through its Chairman, shall submit a self-appraisal at the end of each academic year, but not later than 30th June to the Dean-Faculty and the Dean-Faculty shall place the same before the Academic Council for its information.

The Chairman of each Board shall call the first meeting of the Board within 15 days of this notification and confirm with the Dean of the faculty the acceptance of the membership by all members. In case of any refusal, the Chairman shall recommend three names to the Vice-chancellor for nomination.

The Minutes of all meetings of the Board shall be uploaded on the University's portal by the Chairman.
