The Powers and Duties of Board of Innovation, Incubation and Entrepreneurship and Linkages (as per the Section 26(f) of the Act)

- (1) The Board shall have the following powers and duties, namely:-
- (a) The Board shall conceive a student-centric and student-driven innovation and entrepreneurship agenda so as to guide and help young entrepreneurs in operational, legal, business model creation and financial support
 - (b) The Board will analyse carefully strengths and weakness of the University and affiliated colleges in order to remove inertia hindering development of culture of Innovation and Entrepreneurship
 - (c) The Board shall conduct a diligent examination of the sources of research funding and applicable research agreements to ensure they are compatible with each other and that the university's interest is protected for start-up/ business development by faculty members and students.
 - (d) The Board shall devise and manage policy of intellectual property rights at National and global level for innovations made at the University Departments and affiliated colleges;
 - (e) The Board shall prepare an Annual action plan with various milestones and targets with some tangible outcomes and basic flow map to achieve them for start-ups incubated by the University.
 - (f) The Board shall approve annual budget of the Centre for Innovation, Incubation and entrepreneurship of the University;
 - (g) The Board shall facilitate the interaction of the innovators/ entrepreneurs with investors and other funding agencies for incubation.
 - (h) The Board may form Sub-Committees for promotion of Innovation and Incubation Activities in the affiliated colleges in respective regions of Regional Centres and Sub-Centres.
 - (i) The Board will devise an operative level mechanism for co-operation between university departments, affiliated colleges, industries and start-up Eco-systems

- (j) The Board shall connect with Central policy and Schemes of AICTE, Atal Innovation Mission, NITI Aayog, DIPP, different central and State government agencies offering programs on Innovation and Start-up
- (k) The Board shall create a structured outreach and awareness strategy to reach out to every possible stakeholder, primarily students and faculty members through university circulars, web portal, mailers, newsletters, social media and other frequent activities
- (l) The Board shall facilitate of networking of innovation to Enterprise(*i2e*) cells of colleges with incubation facilities, industry mentors, and angel investors.
- (m) The Board shall make a database of existing resources, infrastructure, and expertise in the University and affiliated colleges and engage them while deploying start-up mandate at the University departments. A pool of common resources may be shared through a common window for the benefit of students and innovators.
- (n) The Board shall draw insights from other universities about start-up ecosystems from within and outside the country and for innovation and student start-ups and share them with all stake holders.
- (o) The Board shall develop a mechanism for impact analysis of its start-up Policy of the University
- (p) The Board shall determine whether granting rights to the start-up is the "best mode" for commercialization, as opposed to a licensing agreement with a third-party commercial sponsor;
- (q) The Board shall help to identify outside professional advisers and other resources to aid the faculty member in structuring, organizing and managing the start-up company and obtaining capital financing;
- (r) The Board shall define and negotiate the technology license with the start-up companies
- (s) The Board shall develop policy to incentivize faculty, Staff, experts, mentors, incubators, and other stakeholders so that they can meaningfully engage and contribute to the start-up.

(2) There shall be minimum four meetings of the Board in the academic year

(3) The Board through Dean, R&D and Industry Relations shall submit a self-appraisal report at the end of each academic year, but not later than 30th June, to the Vice-Chancellor and the Vice-Chancellor shall place the same before the Executive Council for its information.

The Member Secretary of the Board shall call the first meeting of the Board within 15 days of this notification and confirm the acceptance of the membership by all members and suggest three names in each category of the nominations for consideration of the Board and the Chairman in the first meeting.

The Minutes of all meetings of the Board shall be uploaded on the University's portal by the Member Secretary.
