CONDITIONS

The work is to be carried out with due diligence and all work executed is to be done in a workmanlike manner. The material used, when supplied by the person/persons submitting the tender, shall be of the best quality out of the several kinds procurable, and in all cases shall be subject to the approval of the Registrar for the time being, whose decision as to the rate of progress and the quality of work of material shall be final.

- 1-A If, for any reason it is found necessary to supply the materials required for the work from the University store or by the Engineer-in-charge under Schedule 'A', the value of the materials so supplied shall be recovered in cash in advance before handing over the materials unless any sum than due to the piece worker under the agreement is sufficient at cover the cost of the materials so supplied to him in which case the cost may, at the discretion of the Engineer-in-charge, be deducted from the sum then due. All the materials supplied to the piece worker shall, however remain the absolute property of University and shall on account, be removed from the site of the work till their cost is fully recovered from the piece worker.
2. The quantity of work executed shall be measured with any payments made at least once a month, whenever this is practicable, a percentage of the value of work done being withheld at the Registrars discretion, but subject to a minimum of 3percent and a maximum of 10 percent as a safe guard against overpayment or bad work. On the completion of the work or the termination of his agreement final measurement will be recorded and the accounts adjusted accordingly, the amount withheld being refunded after deduction the amount if any, due on account of overpayment or bad work as provided in condition.
3. on satisfactory completion of the work, the contractor shall be furnished with a certificate by the Registrar on such completion but no such certificate shall be given nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall have been executed all scaffolding, surplus materials and rubbish, and shall have cleaned off the dirt from all woodwork, doors, windows, walls, floors, or other parts of any building, in or upon which the work has been executed, or of which he may have had possession for the purpose of executing the work nor until the work shall have been measured by the Registrar or where the measurement have been taken by his subordinate until they have received the approval of the Registrar, the said measurement being binding and conclusive, against the contractor.

4. The Registrar may end to this agreement at his option at any time, and in the case of bad work or material, the Registrar may remove the same and have it replaced, deducting the value of the work rejected or material removed or the cost of replacing the same, as he may think proper, from any amount due or that may become due to the person/persons making this tender.
5. All quarry fees, royalties octopi duties and ground rents for the stacking of materials, if any shall be paid by the piece worker who will however, be entitled to the rules on obtaining a certificate from the Registrar that the materials were required for use on University work.
6. The piece worker shall be responsible for and shall pay any compensation, to his workmen payable under the Workmen's Compensation Act 1923 (VIII of 1923) (here in after called the said Act.) for injuries caused to the workmen. If such compensation is paid by University as principal under sub-section (1) of section 12 of the said Act., on behalf of the piece worker, it shall be recoverable by the University from the piece worker under sub-section (2) of the said section. Such compensation may be deducted without prejudice to any other remedy from any amount due or that may become due of the person/persons making the tender.
- 6-A The contractor shall be responsible for and shall pay the expenses of providing medical aid to any workmen who may suffer a bodily injury as result of an accident. If such expenses are incurred by University the same shall be recoverable from the contractor forth with and be deducted without prejudice to any other remedy of University from any amount due or that may become due to contractor.
7. Under no circumstances whatsoever shall the piece worker be entitled to any compensation from University or any account unless the piece worker shall have submitted a claim in writing to the Registrar in charge within one month of the cause of such claim arising, i.e. from the date of measurements, classification or order as to the change in the design etc.
8. The percentage referred to the agreement will deducted from / added to be the gross amount of the bill before deducting the value of material supplied.
9. The rates for several items of works agreed to within, will be valid only when the item concerned is accepted as having been completed fully in accordance with the sanctioned specification, in case where the items of work are not accepted as so completed the Registrar may make payment on account of such items at such reduced rates as he may consider reasonable in the preparation of final or on account bills.

10. (I) The piece worker shall not employ any person who is under the age of 14 years.
(II) The piece worker shall not employ donkey's or other animals with breaching of string of thin rope. The breaching must be at least three inches wide and should be of tape (Nawar).
(III) No animal suffering from sores lameness or emaciation or which is immature shall be employed on the work.
(IV) The Registrar or his agent is authorized to remove from the work any person or animal found working which does not satisfy these conditions and no responsibility will be accepted by Institute for any delay caused in the completion of the work by such removal.
(V) The piece worker shall pay fair and reasonable wage to the workmen employed by him in the piece work and his workman on the grounds that the wages paid are not fair and reasonable the dispute shall be referred without delay to the Registrar, who shall decide the same. The decision of the Registrar shall be conclusive and binding on the piece worker, but such decision shall not in any way affect the conditions on the contract regarding the payment to be made by University at the sanctioned tender rates.
11. Payment of the piece workers shall be made by cheques drawn on state bank of India, Maharashtra, provided the amount exceeds Rs.10/- amounts not exceeding Rs.10/- will be paid in cash.
12. Any piece worker not accepting these conditions will not be allowed to tender for works and his name will be removed from the list of contractor.
13. Employment of scarcity Labour, if University declares as state of scarcity of famine to exist in any village situated within 10 miles of work, the piece worker/contractor shall employ upon such parts of the work as are suitable for unskilled Labour, any person certified to him by the Registrar or by any person to whom the Registrar may have delegated this duty in writing, to be in need of relief and shall be bound to pay to such person wages not below the minimum which University may have fixed in this behalf. Any dispute which may arise in connection with the implementation of this clause shall be decided by the Registrar whose decision shall be final and binding on the piece worker/ contractor.
14. The contractor should as far as possible obtain his requirement of Labour skilled and unskilled from the nearest Employment Exchange.
15. The stipulated time period for the completion of this project is 15 days from the date of issue of the work order.
16. The quantities shown in schedule 'B' are indicative. Billing will be done on actual measurements at site. GST will be reimbursed at actual.
