

Mr. G. A. Suryawanshi

Assistant Professor

B.Tech. (Civil Engineering) DBATU Raigad.

M. E. (Structural Engineering) SPPU, Pune.

Experience: - 5 Yrs.

Phone No: - +91 9405562438

Email: - 20100860@dbatu.ac.in

Research Interests:

- Structural Analysis
- Finite Element Analysis
- Artificial Intelligence

Selected Recent Publications:

- Dr. Bhagat S. R., Suryawanshi G. A., Mahajan M. L. and Mahajan L. S. (2021), "Artificial Neural Network Techniques for Evaluation of Pollution", Online International Conference on Community Based Research and Innovations in Civil Engineering, 18-19th March 2021, <https://doi.org/10.1088/1755-1315/796/1/012052>, Organized by Manipal University Jaipur.
- Suryawanshi G. A., Mahajan L. S. and Dr. Bhagat S. R. (2020), "Bottom Ash Incorporated Mortar: A Sustainable Option", International Conference on Recent Trends in Renewable Energy & Sustainable Developments, 30-31st Jan 2020 Organized by BIT Raipur.
- Suryawanshi G. A and G. R. Patil (2017), "Analysis of Rigid Pavement" Fourth Post Graduate Conference of Civil Engineering (CIVILPGCON2017), 13 - 14th June 2017 at Flora Institute of Technology, Pune.
- Ganesh A. Suryawanshi & Pawan Panchal, "Renewable Energy Source Geothermal Energy" in IETE National Level Technical Conference, (2013) held at DBATU, Lonere.
