DISCLAIMER

The information contained in this Tender Document or subsequently provided as corrigendum or response to the queries of the interested bidders by the University is provided to the interested bidders on the terms and conditions set out in this Tender document.

This Tender document is not an agreement and is not an offer or invitation by the University to any other Party. The purpose of the document is to provide interested bidders with information to assist in formulation of their Proposal. The tender document does not purport to contain all the information any bidder / Service Provider may require. The interested bidders / Service Providers should check the accuracy, reliability and completeness of the information in this tender document and respond suitably for the proposal.

The University may in their absolute discretion, but without being under any obligation to do so, update, amend or supplement the information in the tender document at any point of time before the submission of the proposal by the service providers or the bidders.

Introduction

1.1 About The University

2. The district of Raigad is blessed with historical legacy of Chhatrapati Shivaji Maharaj and Bharat Ratna Dr. Babasaheb Ambedkar, both role models to the community. The University provides an environment, ideal and conducive for nurturing academic progress and pursuit of knowledge.
3. This University was established on 5th May 1989 by the Government of Maharashtra under the Dr. Babasaheb Ambedkar Technological University Act No. XXII, 1989. We celebrated the Silver Jubilee Year in 2014.
4. 1st March 2016 is another milestone in the history of this university, when the state Government has declared this university as State Technical University to which the Engineering & Technology, Pharmacy, Architecture and Hotel Management and Catering Technology Institutes from the State shall get affiliated over the next few years.
5. The University is committed to provide guidance and directions in quality technical education, research and development to meet the needs of industry, businesses, and the society, at large. The benefits of the research and education at the University has to flow to the eco-system in its surrounding.
6. At present, the University administers Diploma, Advanced Diploma, Undergraduate, Postgraduate and PhD Programmes in Engineering and Technology, Architecture and Pharmacy education. There are approximately 54, 500 students enrolled under various courses running under this University. The total number of students are likely to increase up to 80, 000 by next Academic Year.

4 SUBMISSION OF TENDER

Refer to Dr.Babasaheb Ambedkar Technological University Lonere –Central Stores for details www.dbatu.ac.in

5 OPENING OF TENDERS

Following procedure will be adopted for opening of the Tender.

(A) COVER I: (TECHNICAL BID-DOCUMENTS)

First Cover I of the tender will be opened on line to verify its contents as per requirements. If the scanned copies of various documents contained in this cover do not meet the requirements of the Department, a note will be recorded accordingly by the tender opening authority and the said tenderer's Cover II will not be considered for further action and the same will be recorded.

The decision of the tender opening authority in this regard will be final and binding on the contractors.

(B) COVER II: (COMMERCIAL BID-TENDER)

This Cover II shall be opened after opening of Cover I, only if contents of Cover I are found to be acceptable to the Department. The quoted tender rates of the items in Schedule 'C2' of shall then be read out from the template at the time of opening of Cover II.

The validity of rate contract will be two year and it can be extended up to further one more year if services from bidders are found satisfactorily.

6 TENDER RATE

No alteration in the form of tender and the schedule of tender and no additions in the scope of special stipulation will be permitted.

7 TENDER ACCEPTANCE

Acceptance of tender will rest with **Dr. Babasaheb Ambedkar Technological University, Lonere** who reserves the right to reject any or all tenders without assigning any reason therefore.

Rates quoted in the price bid should be valid for Contracts periods from the date of submission.

9 Bid Evaluation Process

09.1 Proposal Evaluation Process

1. Proposals will be evaluated by a Committee of Experts (the "Committee") appointed by the university. Evaluations of bids will be only on the basis of information provided by the bidders in the proposals, or any additional information provided by the bidders against specific requests for clarifications sent by the university during the evaluation process.

- a. Evaluation of prequalification proposal
- b. Opening of commercial proposal

Only those bids that have been technically qualified will be considered for opening the commercial bid..

09.2 Notification of Award of Purchase Order/signing of Work Contract/Rate contract

1. Notwithstanding the above, the Purchaser reserves the right to accept or reject any bid and to cancel the bidding process and reject all bids at any time prior to the award of contract.

2. The university reserves the right to negotiate further with the bidder whose proposal has been accepted as successful bidder before award of the purchase order.. Expression of vendor's inability for the supply or delivery of good/s as per specifications will lead to cancellation of PO. Further Institute may also disqualify / debar the Vendor from participating in any of its future enquiries for a period as recommended by institute authorities.

2. **The bid process shall be considered valid even if there is one responsive Bid, provided that:**

The tendering authority shall prepare a justification note for approval by the next higher authority of the procuring entity and with the concurrence of the committee.

1. In case of dissent by any member of bid evaluation committee, the next higher authority in delegation of financial powers shall decide as to whether to sanction the single Bid or re-invite Bids after recording reasons.

2. If a decision to re-invite the Bids is taken, market assessment shall be carried out for estimation of market depth, eligibility criteria and cost estimate.
