Dear Research Scholars,

Hope you all are doing well and safe.

As all of you are aware that the duration of TEQIP III projects is from July 2017 to September 2020. TEQIP III office provided an assistantship to you till September 2020 without any delay (during lockdown as well). However, now there is no fund available for an assistantship from October 2020 (As per NPIU guidelines we can spend 40% money on Academics and all 40% money spent till date). Hence onwards TEQIP office is unable to provide you assistantship.

Best luck for your research work.

Regards
TEQIP-III Cell
