Subject: Submission of minutes of meeting of BOS Computer Engineering to Hon.Vice Chancellor through Dr.Nalbalwar,Dean,Academics DBATU

Respected Sir,
The first Online BOS meeting of Computer Engineering was held on 11-08-2020, at 04:00 p.m.

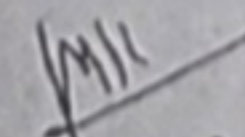

The Agenda of meeting was.

- To finalize VII and VIII semester syllabus of B.Tech Computer Engineering for the Academic Year 2020-2021.
- The proposed syllabus of VII and VIII semester of B.Tech Computer Engineering was discussed thoroughly and unanimously approved by all members in the meeting.
- It is decided that for the following subjects of Semester- VIII, digital content should be developed by the university.
 - Randomized algorithm (Elective XI)
 - Cryptography and Network Security (Open elective-XII)

The meeting ended with Thanks to All.
Hereby, on behalf of all the members I request you Sir, to approve the minutes of meeting and the syllabus of Semester VII and VIII B.Tech Computer Engineering

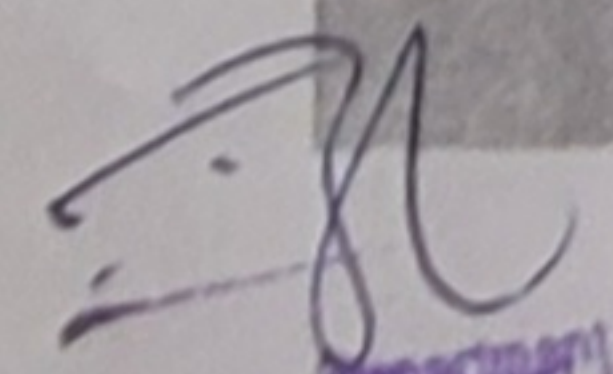

For the Meeting Following members were invited and present

Dear all

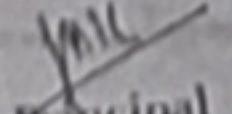

On Line ,Computer engineering BOS meeting is
scheduled on 19 July 2021,at 3.30 pm

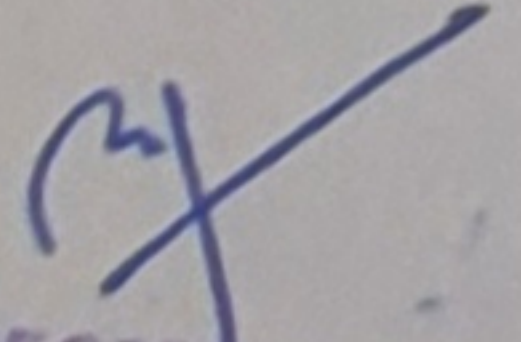

Agenda is

1) online courses to be offered in in 3rd, 5th and
7th semester and mandatory online course on AI
for all the engineering branches other than CE and
I T.

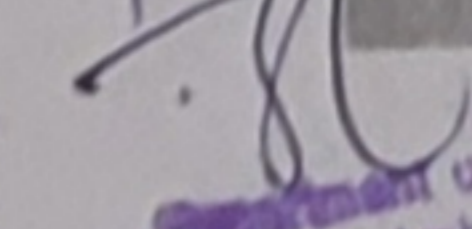

2) recommendation of additional minor courses
for computer engineering

Respected Sir,
The BOS of Mathematics has approved and recommended the syllabus of Engineering Mathematics -III (BTBS 301) (Sem-III) that is to be taught to all branches of engineering. Our BOS Computer Engineering has unanimously decided to follow the same syllabus recommended by BOS Mathematics as the Engineering Mathematics -III subject (BTBS 301/Sem-III) w.e.f Academic Year 2021-22, for the Computer Engineering branch.
The detailed syllabus is attached herewith for your approval and implementation.

Thanks and Regards,

Respected sir,

kindly find the revised list of online courses to complete Major and minor degree in Computer Engineering/IT due to some courses are not available on NPTEL/Swayam Platform in this year

1. It is observed that NPTEL course "Practical Machine Learning with TensorFlow" is not available on NPTEL/Swayam Platform in this year, so as per discussion held in Board of studies of Computer Engineering, it is recommended that following course can be added as a course to complete Major degree in Computer Engineering/IT for the students those could not complete the course "Practical Machine Learning with TensorFlow"

Sl. No	Subject	Teaching Scheme	Course Name at NPTEL (SME Name)	Resource Person	Institute	Duration	Credits	URL/Link
1.	Artificial Intelligence	4hrs/week	Artificial Intelligence Knowledge Representation And Reasoning	Prof. Deepak Klemari	IIT Madras	12 weeks	4	https://onlinemcourses.nptel.ac.in/noc22-cs02/overview?lang_email=svato@bdtre@gmail.com
