

Dr. Sangeeta S. Metkar
Head & Associate Professor

Total Experience : 21 years

Phone No. : 8600172102

Email : ssmetkar@dbatu.ac.in

Academic Qualifications: .

Ph. D. (Chemical Engineering) Dr. B. A. Tech. University, Lonere Raigad.

Research Interests:

- Reaction Kinetics
- Process Control
- Polymerization
- Fluid Rheology
- Modeling and Simulation

Honors and Awards:

- Gold Medal in M. Tech. Chemical Engineering

Courses Taught @ UG:

- Chemical Reaction Engineering
- Transport Phenomena
- Process Dynamics and Control
- Mechanical Operations
- Numerical Methods in Chemical Engineering
- Solid Fluid Operation
- Plant Utilities and Plant Safety
- Project Economics and Plant Management
- Petrochemical Processes
- Petrochemical Engineering- I
- Petrochemical Engineering- III
- Petrochemical Engineering- IV
- Advanced Petroleum Refining
- Chemistry of Petroleum Hydrocarbons

Courses Taught @ PG:

- Advanced Reaction Engineering
- Polymer Reaction Engineering

Paper Published:

- International/ National Journals: 4
- International/National Conferences: 12

Recent Publications:
