**Online Education**

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	<p>All departments are required to implement the syllabus prescribed by the University. The Timetable Committee headed by the Head of the Department &amp; Faculty Members draws up a detailed timetable that efficiently deploys the units of time for academic and co-curricular purposes for example theory, practical, tutorial, ICT, life-skill, value education, and add-on classes thereby ensuring a balance between the different types of engagement a student is expected to participate in. Classes have been started as per the calendar prepared by the Academic Dean.</p> <p>The departments strive for effective curriculum delivery through a combination of time-tested and innovative methods: beginning with an entry-point assessment of the student's aptitude and expectations relating to the course, and proceeding according to a set of teaching plans based on an academic calendar detailed enough to cover the available timeframe, yet flexible enough to permit changes.</p> <p>The University is well equipped with smart classrooms and other ICT facilities which are extensively used by teachers in day-to-day teaching to make the delivery of the curriculum attractive to students. Interactive teaching is promoted through students' participation in group discussions, quizzes, and seminars. Special lectures delivered by eminent scholars on topics related to the curriculum further intensify students' learning experience. Students have been guided to do online certification courses in SWAYAM and NPTEL. All the second, third and final-year students have been provided with the four to twenty-four-week Internship with different projects.</p> <p>The teaching plans consist of detailed apportionment of the syllabus among all the faculties of a particular department. The apportioning is done democratically through discussion and deliberations among faculties in departmental meetings. Faculty members take utmost care to complete the syllabus on time. Tutorials/projects, class tests, and internal assessments comprise the formal evaluative processes, but students are encouraged to meet faculty beyond classroom hours for doubt-clearing and curricular discussions. Extra hours are devoted to taking remedial classes after completion of internal examinations to bolster students' preparedness before University examinations. Periodic meetings of IQAC take stock of the progress of teaching-learning, among other things and meetings of the Department with the Principal and parent-teacher meetings are other forums where the progress of the delivery of the curriculum is regularly monitored and necessary course corrections are initiated.</p> <p>Academic calendars, Teaching Learning, and Evaluation Plans are created by each faculty at the start of the academic year. Also, Course files are maintained by each faculty throughout the academic year. The well-articulated Course Outcomes and the mapping of COs with POs assisted in the development of directed learning strategies. The completion rate of the syllabus is tracked by a report prepared faculty-wise on a monthly basis by the Heads of the Departments. Appropriate measures were taken to accommodate the requirements of slow learners, while additional lessons were scheduled to encourage them to stay up with other learners.</p>
3. The period of delay in completion of syllabus (in months).	0
4. The period of delay in conducting exams (in months).	0
