BATU NCC UNIT REPORT 2018-2019

Dr. Babasaheb Ambedkar Technological University NCC Unit has performed many social and cultural activities/events organized by us this year. Presently cadets of our platoon are giving their best in many activities. Cadets have performed and had participated in all the activities reported here under the supervision of our Associate NCC Officer Capt. Milind P. Bhagat.

Blood Donation Awareness

Awareness regarding Donation of blood was spread by our Cadets throughout the University campus and in nearby villages on 18 March 2018. Students and villagers were introduced with the benefits regarding blood donation by our Cadets. About 30 SW NCC Cadets had participated in this blood donation awareness.

Blood Donation Camp

It is said that "A single pint can save three lives, a single gesture can create million smiles". As a part of social service, DBATU NCC Unit had arranged a Blood Donation Camp with the help of K.E.M. Hospital staff on 20 March 2018. Honourable Vice Chancellor Dr. Vilas Gaikar Sir actively participated in this noble cause along with the staff members of the university, students and villagers. Around 350 donations were made by them together. Here we had an active participation of 32 SW NCC Cadets.

Digitalization Drive

DBATU NCC UNIT had organized digitalization drive to spread awareness about digitalized India in month of April. Cadets visited various nearby villages and briefed people by providing information about digital payment systems like BHIM App, Online banking, Online shopping, etc. Cadets also cleared their doubts regarding Internet banking, cashless transactions, new rules and regulations of banks. 20 SW Cadets had participated in this Digitalization Drive.

Awareness About Organ Donation

In order to promote advanced medical sciences, our Cadets carried out awareness regarding donation of organs in Mangrul village in the month of April. All SW NCC Cadets had participated

in this Organ Donation awareness. In this awareness Villagers were given the information about organ donation and were told the importance about Organ Donation.
