1. INTRODUCTION

1.1 About The University

The district of Raigad is blessed with historical legacy of Chhatrapati Shivaji Maharaj and Bharat Ratna Dr. Babasaheb Ambedkar, both role models to the community. The University provides an environment, ideal and conducive for nurturing academic progress and pursuit of knowledge.

This University was established on 5th May 1989 by the Government of Maharashtra under the Dr. Babasaheb Ambedkar Technological University Act No. XXII,1989. Later Gov. of Maharashtra converted the University to the affiliating Technological University in year 2016 vide Maharashtra Act N). XXIX of 2014 with the jurisdiction of the University as entire state of Maharashtra.

This State Technical University to which the Engineering & Technology, Pharmacy, Architecture and Hotel Management and Catering Technology Institutes from the State shall get affiliated over the next few years. The University is committed to provide guidance and directions in quality technical education, research and development to meet the needs of industry, businesses, and the society, at large. The benefit of the research and education at the University has to flow to the eco- system in its surrounding.

1. Mere submission of the proposal, shall not confer any right whatsoever on the submitting entity.
2. The proposal shall remain valid for a period of One year from the date of publication RFP.
3. It shall be obligatory on part of the submitting entity to furnish any further information as may be required from DBATU Lonere.
4. Each page of the Proposal must be self-attested by the bidder.
5. Neither the issue of this notice nor any part of its contents is to be taken as any form of commitment or acknowledgement of part of DBATU to proceed with any proposal or any entity. DBATU reserves the right to annual or terminate the process, project or reject any proposal at any time or at any stage without assigning any reason.

6. No amendments / changes will be allowed after submission of bids.
 7. Payment to bidder by way of compensation or otherwise outside the terms of the contract or in excess of the contract rate will not be allowed under any circumstances.
 8. Successful bidders will be required to provide the statue within a period of 120 days from the award of contract, failing which the DBATU reserves its rights to cancel the contract without any compensation except the circumstances such as natural calamities, unavoidable circumstances beyond the control of authorities.
 9. Pre-dispatch examination of the final statue will be conducted by the person(s) authorized by DBATU Lonere.
 10. Genuine Pricing:- Bidder should quote genuine price of the statue including cost of installation. Bidder should not quote excessive price for the make of statue and proper rate analysis must be attached regarding the cost.
 11. If Committee observes the ring formation among bidders then tender will be recalled and those bidders found guilty will not be allowed to participate in further process.
- **Regarding Pre-Bid Meeting:-** Pre bid meeting regarding “Providing and Installation of Statue of Shri. Chhatrapati Shivaji Maharaj at DBATU Lonere” will be organized in offline mode as stated in the tender document. All interested sculptors should present for pre-bid meet with their suggestions, clarifications and doubts. Those clarifications will be cleared by Committee constituted for that purpose at the time of meeting or next three working days if possible. No further suggestions, clarifications or doubts will be entertained by the University after scheduled due date.

GUIDELINES FOR BID PREPARATION

1. Preparation of Technical Proposal

1. The bidder is expected to respond using only the specified formats for the response, wherever applicable. Failure to use the specified formats may result in disqualification of the proposal.
2. The Technical Proposals must be direct, concise, precise and complete. Any information not directly relevant to this RFP, should not be included in the proposal. The University will evaluate bidders' proposal based upon its clarity and directness of its response to the requirements of the project as outlined in this RFP.
3. The bidder shall number all the pages of the Technical proposal including the annexure and other attachments and sign / affix initials each page.
4. The technical proposal must not contain any price information.
5. The bidder must fully understand the scope of the work and services as outlined in this RFP. The bidders are expected to examine, understand and comply with all the instructions, formats, terms & conditions, work and services requirements and other information in this RFP document before submitting the bids. Failure to furnish all the information required by the RFP or submission of a proposal not substantially responsive to the RFP in every respect will be at the bidder's risk and may result in rejection of the proposal of the bidder.
6. If the bidder is required to confirm in the affidavit contained in the RFP that there are no infringements of any Patent or intellectual property rights or copy rights as per the applicable laws of relevant jurisdictions.

2. Clarifications to the Technical Proposal

1. During the time of the evaluation of the Technical Proposal, the University may seek clarifications from the bidders on specific items in the proposal submitted by them. All such clarifications will be sent to the contact persons indicated in the proposal either by email for response within a stipulated time period.
2. The bidder has the option to respond or not respond to these queries. If the bidder fails to respond within the stipulated time period, the university has the right to make assumptions on the technical proposal submitted by the bidder and if such assumptions lead to disqualification of the technical proposal, the university is not accountable for these omissions
3. The responses by the bidders to the queries raised by the university will be treated as part of the proposal by the respective bidders.
4. If any of the responses by the bidders to the queries sent by the university has commercial implications, these commercial aspects will not be accommodated in the commercial evaluation process.

3. Technical Proposal structure and documents

1. Covering letter and Signature - The technical proposals should be accompanied with the “Technical Proposal covering letter” as per Form T.1 of Annexure A. The covering letters must be on the letter head of the bidder’s organization and signed by a representative of the bidder, who is duly authorized, to act in respect of the proposal and commit the organization to contractual obligations arising out of the proposal.
2. Structure of the Technical Proposal - The University does not mandate that the Technical Proposal be structured in any specific fashion or sequence. The bidders use their own approach to structure the document so as to bring out clearly what the bidder intends to propose to the university for the said project. However, all the forms and annexure

should be in sequence and in place for ease of evaluation of the Technical Proposal.

3. Documents for the Technical proposal - Wherever there is a specific format provided to seek the information, the university expects bidders to use only these formats to provide that information. The bidder is free to use its own format for providing information in other areas. However, the bidders are discouraged from providing scanned copies of brochures and presentation material as technical proposal.

4. Commercial Proposal

1. The bidder is expected to quote for all the components of the proposed work, including cost of implementation and ongoing support required as per the scope of services mentioned in the RFP.

2. The bidder shall quote the bid as given in Annexure C.2 in tender document.

3. Prices shall be quoted entirely in Indian Rupees.

4. It should be separately and clearly indicated how the local taxes will be applied for delivering these service by the bidder to the university.

5. The quoted price cannot have any hidden cost and cannot be conditional.

6. Required taxation is applicable as per current governing rules like GST,TDS etc.

7. Lowest bidder price (L1) criteria is not the only criteria for awarding the work order but other factors like quality, professionalism will also considered for awarding the work order.

5. Payment Terms

1. The bidder is requested to use the Form C2 of Annexure B for indicating the payment terms. This will be an indicative payment terms and the university shall decide in consultation with the successful bidder before agreeing to the terms of payment including secured advance if required while awarding the contract. However broadly the payments shall be made based on the milestones achieved during the progress of the work as follows:

Sr. No.	Details of Milestone Achieved	%Payment to be released
01	Approval to Clay model	40%
02	Completion of fiber casting work	20%
03	Completion of bronze casting work	20%
04	Installation of statue at actual site	10%
05	Completion of oxidation work of statue	10%
	Total	100%

2. The bidder should mention clearly the delivery milestones for payment.

3. The payment of consideration of net Taxes and duties shall be made to the bidder by the university within 15 days from the submission of the invoice and the final payments shall be made within 30 days of the completion of the work. However TDS or TDS on GST will be deducted from billing amount.

4. If for any reason the university is unable to complete its part of the obligations then university shall release all pending payments to the bidder after holding back 5% of the overall payment due at the stage of milestone achieved. However the university shall release the residual payment of 5% to the bidder within 60days.

6. Period of Validity of Bids

1. The proposals submitted by the bidders in response to the RFP shall be valid for a period of One year from the date of submission of the proposals. Any bid proposed to be valid for a shorter period may be rejected as non-responsive.

2. In exceptional circumstances, at its discretion, the University may solicit the bidder's consent for an extension of the validity period. The request and the responses thereto shall be made in writing or by email.

3. On signing of the contract, the prices quoted in the commercial proposal for the proposed work will be valid for the period of the contract. Escalation in the cost during the contract period is subject to mutual agreement between both the parties.

7. Correction of errors

1. Bidders are advised to exercise adequate care in quoting the prices. No corrections in the quoted price will be entertained after the bids are opened.

2. Arithmetic errors in proposals will be corrected as follows: In case of discrepancy between the amounts mentioned in figures and in words, the amount in words shall govern.

3. Discrepancy between the unit price and multiplied figure: If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected.

8. Force Majeure

If at any time during the continuance of this Contract, the performance in whole or in part by either party of any obligation under this contract shall be prevented or delayed by reasons of war, hostility, acts of the public enmity, epidemics, civil commotion, sabotage, fires, floods, explosion, quarantine restrictions, strikes, lockouts or any act of God (hereinafter referred to as such acts), neither party shall be by reasons of such event, be entitled to terminate this contract nor shall either party have any claim for damages against the other in respect of such non- performance or the delay in performance. The deliveries under the contract shall be resumed as soon as practicable after such events have come to an end or ceased to exist.

9. Dispute Resolution and Governing Law

In case any dispute between the Parties, both the parties will try to resolve the issue mutually within 15 days of dispute raised in writing. Affected party will give notice in writing to other party indicating concern, proposed remedy to settle the issue. If the issues are not settled by negotiation in the manner as prescribed, the same may be resolved by arbitration tribunal consisting of three members. Each party shall nominate one member to the tribunal and both the members will select the presiding officer for the arbitral tribunal. The Arbitration shall be held in Marathi and in English language and conducted in accordance with the provisions of Arbitration and Conciliation Act and shall be conducted in fast track mode and the tribunal shall render a binding award within 90 days from the date of reference. The award by the arbitral tribunal will be final and binding on both the parties All disputes arising out of this contract shall be governed by the Laws of India and courts in Maharashtra shall have exclusive jurisdiction to try any case.

10. Intellectual Property Rights (IPR)

Any IPR developed, deployed or tested by the Bidder or its affiliates during the course of this project will vest absolutely with the Bidder. The University shall acknowledge and agree to vest the IPR with the Bidder after expiry of the project tenure. This includes source code, process documents, flow charts, project management templates and other resources developed by the Bidder and / or their agents, associates and principal parties involved in the project.

SUBMISSION OF THE PROPOSAL

1. Bidders shall submit two separated bids, namely, (a) Technical Bid and (b) Financial Bid. Technical Bid shall be as per Annexure I, including the documents listed therein. Documents required under eligibility criteria should also be included in Annexure-I. Financial Bid shall be submitted as per Annexure II. Both the bids i.e., Technical and Financial Bid shall be sealed in Two different envelopes which should be kept together in an sealed envelope and submitted to DBATU.

2. Bidders should submit the following documents / Details, duly certified and / or self-attested, in the Technical Bid:-
 - a. Address of the sculptor / company or branch offices as given in the registration document (copy to be attached).
 - b. Copy of Registration Certificate from the appropriate statutory authorities permitting applicants to practice as a sculptor.
 - c. Information on the projects completed in the last 3 years and which are similar to the proposed work along with photographs.
 - d. Design, Specification and photographs of the statue proposed to be provided. The photographs (hard copy) should be from at least four different angles in "Portrait Lighting" for better view. The information under the clause should also be provided as a power point presentation with high resolution (i.e.,300 dpi) photographs in a pen drive as part to Technical Bid. Presentation of the technical bid will be conducted as per the convenience of expert committee of DBATU Lonere to evaluate the technical standing of the bidder. DBATU will inform the exact time and date, mostly in virtual mode, to bidder.
 - e. You may like to examine the requirement details carefully, if you feel confident to meet our requirements for high standard and time bound supply, you may submit bid mention subject on the sealed envelope "Tender for Providing and Installation of statue of Shri. Chhatrapati Shivaji Maharaj" and to be dropped in the name of Registrar, DBATU Lonere.
3. For further query, please contact University Engineer & Registrar, DBATU Lonere.

- **BID EVALUATION PROCESS**

1. **Proposal Evaluation Process**

1. Proposals will be evaluated by a Committee of Experts (the "Committee") appointed by the university. Evaluations of bids will be only on the basis of information provided by the bidders in the proposals, or any additional information provided by the bidders against specific requests for clarifications sent by the university during the evaluation process.

2. The bids submitted with required EMD only will be considered
3. Evaluation of the bids will be done in the following sequence and at the end of every stage, short listed bidders will be informed of the results of evaluation
 - a. Scrutiny of Bid Security and adherence to general guidelines
 - b. Evaluation of prequalification proposal
 - c. Evaluation of Technical proposal
 - d. Live demo and / site visits
 - e. Opening of commercial proposal
 - f. Final evaluation of the Technical bid and finalization of the bid.

Only those bids that have been technically qualified will be considered for opening the commercial bid. The EMD of the bidders who are not technically qualified shall be returned to the bidders without opening their commercial bid.

2. Technical Proposal Evaluation

1. The Technical bid will be scrutinized for complying with the following requirements before going ahead with further evaluation of the bid.
 - a. Proposal Covering letter as response to the RFP
 - b. Undertaking for non-infringement of patent/copyrights
 - c. statement on Clarifications as required
2. Evaluation of the Technical proposal – the details given by the bidder may be evaluated against the response to the RFP and on the basis of live demonstration/Site visits required if any.
3. The final decision of the technical evaluation of the proposals submitted by the bidders shall vest with the university and the decision of the expert committee appointed by the university on the technical evaluation of the proposals shall be final and binding on all the bidders.
4. The installation of Statue is considered by the university being sensitive and critical for the stake holders including students and faculties and, it is hereby informed that strict compliance to the technical specification proposed by the bidders along with live demo & site visits are paramount in selecting the successful bidder.

3. Presentation of model statue:

1. The committee shall invite each bidder to make a presentation regarding model statue to the the university at a date, time and venue determined by the university and the sculptor shall attend the same at his own cost. The purpose of such presentations would be to allow the bidders to present their ideas to the university and to evaluate the same by the expert committee of the University in order to arrive at the final and considered decision.
2. The bidders shall arrange for live site visits when demanded by the expert committee where similar solutions have been implemented or under implementation. Such site visits shall be done independently by the expert committee and the bidder shall not accompany any of the university officials or members of the expert committee. The expenses for the travel of the committee shall be borne by the University.

4. Clarifications during evaluation

1. During the time of the evaluation of the Bids, the University may seek clarifications from the bidder on specific items in the bids submitted by them. All such clarifications will be sent to the contact persons indicated in the proposal either by email.

2. The primary role of clarifications in the evaluation process is to clarify ambiguities and uncertainties arising out of the evaluation of the bid documents. The clarifications provide the opportunity for the University to state its requirements clearly and for the bidder to more clearly state its proposal.

3. If such clarifications are oral in nature, they will only be considered in the form of minutes of the meeting duly signed/agreed to by the all the participants.

4. The bidder has to respond to these queries. If the bidder fails to respond within the stipulated time period, the university has the right to make assumptions on the Bids submitted by the Sculptors and if such assumptions lead to disqualification of Bids, the University is not accountable for these omissions

5. All the responses to the clarifications will be part of the Technical Proposal of the respective bidders, and if the clarifications are in variance with the earlier information, the information provided in later stages will be the part of the contract for implementation between Sculptors and the university.

6. If any of the responses by the Sculptors to the queries sent by the University has commercial implications, these commercial aspects will not be accommodated in the evaluation process.

5. Commercial Evaluation

The bidders must be technically qualified. The Commercial bids of only technically qualified bidders will be opened.

6. Notification of Award and signing of contract

1. The University will award the Contract to the bidder whose proposal has been determined to be the successful bidder based on the above evaluation method.

2. The University reserves the right to negotiate further with the bidder whose proposal has been accepted as successful bidder.

3. Prior to the expiration of the validity period, The University will notify through a "Letter of Intent", to the successful bidder in writing that their proposal has been accepted and invite them for signing a formal contract.

4. Signing the contract- The University shall execute a formal contract with the Sculptor on mutually agreeable terms and conditions and as per the RFP and the bid submitted in response to the RFP by incorporating all necessary terms and conditions to protect the continuing interest of both the parties while implementing the said project. The contract shall clearly specify the deliverables under the scope of service, duration of the contract, payment terms, performance metrics and responsibility matrix of both the parties and protection of the interest of both the parties, penalty for non-performance of both the parties, force majeure etc in accordance with the Indian contracts Act. Any amendment to the contract if required during the period of subsistence of the contract shall be carried out as addendum to the existing contract after both the parties agree to the terms thereof.

7. Short Closure of the Contract

The proposed project being sensitive and have impact on the community, the University shall vest the rights to short close the contract awarded to the successful bidder, in case the bidder fails to deliver the services as per the scope of work. However, the contract shall not be short closed for any reason, whatsoever, other than the nonperformance related of the bidder issues. Further the University understands that the bidder may have to invest substantial money and resources in implementing the proposed project and hence guarantees the bidder that the contract once awarded shall continue to be performing as long as the services mandated under the scope of services are delivered by the bidder professionally and timely. For non-compliance of the same, the university has the right to initiate actions against the bidder after giving reasonable opportunity to the bidder to course correct themselves and after following principles of natural justice.

8. Lack of Competition

1. If a situation arises where if after evaluation of bids, the tendering authority ends up with one responsive Bid only and in such situation, the tendering authority would check as to whether while floating the tender all necessary requirements to encourage competition like standard bid conditions, industry friendly specifications, wide publicity, sufficient time for formulation of Bids, etc were fulfilled. If not, the tender would be re-floated after rectifying deficiencies.

2. The bid process shall be considered valid even if there is one responsive Bid, provided that:

i. the Bid is technically qualified

ii. the price quoted by the bidder is assessed to be reasonable
iii. the Bid is unconditional and complete in all respects

iv. there are no obvious indicators of cartelization amongst bidders and

v. the bidder is qualified as per the provisions of pre-qualification/eligibility criteria in the bidding document

3. The tendering authority shall prepare a justification note for approval by the next higher authority of the procuring entity and with the concurrence of the committee.

4. In case of dissent by any member of bid evaluation committee, the next higher authority in delegation of financial powers shall decide as to whether to sanction the single Bid or re-invite Bids after recording reasons.

5. If a decision to re-invite the Bids is taken, market assessment shall be carried out for estimation of market depth, eligibility criteria and cost estimate.

9. SELECTION PROCEDURE

1. The selection of the Sculptor for award of job will be done on the bases of evaluation of technical bid and financial bid, including design and specification of the statue proposed to be provided by the Sculptor.

2. No financial information shall be submitted except in the financial bid.

3. In case if so desired, technical presentation, generally organized distantly through virtual mode, will be conducted by DBATU Lonere. Hence Sculptor should be ready for the presentation.
4. Criteria for award of work is not be bounded to lowest(L1) bidder. Lowest bidder price (L1) criteria is not the only criteria for awarding the work order but other factors like quality, professionalism will also considered for awarding the work order.

.....

Having examined the bid document, the receipt of which is hereby duly acknowledged, we, the undersigned, offer to execute as required and outlined in the RFP.

We attach hereto the bid technical proposal as required by the bid document, which constitutes our proposal.

We undertake, if our proposal is accepted, to execute the put forward in this RFP. We agree for unconditional acceptance of all the terms and conditions set out in the bid document and also agree to abide by this bid response for a period of 6 months from the date fixed for bid opening and it shall remain binding upon us with full force and virtue, until within this period a formal contract is prepared and executed. This bid response, together with your written acceptance thereof in your notification of award, shall constitute a binding contract between us and the University.

We confirm that the information contained in this proposal or any part thereof, including its exhibits, schedules, and other documents and instruments delivered or to be delivered to the University is true, accurate, and complete. This proposal includes all information necessary to ensure that the statements therein do not in whole or in part mislead the University as to any material fact.

We agree that you are not bound to accept the lowest or any bid response you may receive. We also agree that you reserve the right in absolute sense to reject all or any of the tenders specified in the bid response without assigning any reason whatsoever.

It is hereby confirmed that I/We are entitled to act on behalf of our corporation/company/firm/organization and empowered to sign this document as well as such other documents, which may be required in this connection.
