### Notification

Subject: Regulations regarding the Adjustment of Faculty members into other courses at the same institute

Reference: Proceedings of 34<sup>th</sup> Academic Council Meeting dated 06-03-2024

There are fast changes in the intakes of the courses at the affiliated institutes due to changing market demands for the branches, emerging branches in technology, etc. In such a scenario there is always a situation that the regular faculty members who are approved by the University become surplus in some of the branches as the intake is reduced and there is a scarcity of faculty in some other discipline.

The Academic Council in its meeting dated 06-03-2024 resolved that on receipt of the recommendation from the management of the concerned colleges/institutes, the university may permit the institutes for adjustment of the surplus approved faculty members into the other appropriate disciplines as per the equivalent disciplines declared by the apex bodies from time to time.
