1. Objective

To work for an university which provides me the opportunity to improve my skills and Knowledge to growth along with the university.

2. Personal skills

- Quick learner
- Punctual
- Good communication skill

3. Education

- M.Tech in manufacturing engineering with distinction from DBATU University, Lonere
- B.Tech in mechanical engineering from DBATU University, Lonere
- H.S.C from MJ College Mangaon
- S.S.C from A.S.V Vidyalaya Mangaon

4. Certificate courses

- MS-CIT
- AutoCAD
- FDP – Characterization of Nano-Materials and Applications, NITTTR, Chandigarh
- FDP – OBE for NEP Implementation, NITTTR, Chandigarh

5. Academic project undertaken

- M.Tech project in final year

Name of the project: Experimental Analysis of Single Point Incremental Forming to Study Surface Roughness.

- M.Tech mini project in first year

Name of the project: Experimental Analysis of Single Point Incremental Forming to

Study Surface Roughness.

- Done 1 month industrial training in Excel company, Roha in 2nd Year.
- Done 1 month industrial training in Mahindra CIE Automotive Ltd, Mangaon in 3rd Year.
- B.Tech project in final year

Name of the project: Optimization of Wire EDM Process on Cladding Metal Plates.

6. Research paper publication

Research paper entitled "Experimental Analysis of Single Point Incremental Forming to Study Surface Roughness" presented in the National Conference in Mechanical Engineering: Advances in Material and Design (NCEMEAMD-2022) organized by Vishwakarma Institute of Technology, Pune during 19th-21st May 2022.

7. Extra-curricular activities/achievement

- Awarded “**University Gold Medal**” in **M.TECH** (Manufacturing Engineering).
- Awarded Best student in school
- Participated in dance, singing, rangoli, painting, speech competition at school and college level
- Group leader in scout and guide education skill
- Pass drawing exams
- Pass 2 classical music exam with distinction
